- finding good group of girls within first month of school

Middle School

- running after soccer practice to improve my endurance
- starting own business, "Down2Earth" with two of my classmates and going through whole process of making business plan, making products, and presenting to board of investors,

Top Accomplishments - Enjoyed

Didn't Enjoy Doing

College

- taking financial accounting even though it is not something I am going to go into after college

High School

- finishing with a 3.55 GPA, even though I had to take a lot of math and science
