

Structural Tension

Age 22 – Intermediate Result 1

Obtain internship at a software company with international clients. In today's world, there are many such companies.

Objectives

- Use Rose resources (friends, alumni, advisers, etc.) to find suitable companies.
- Attend the Rose-Hulman Career Fair to meet with and impress said company.
- Maintain at least a 3.0 GPA

Age 22 – Current

Final year of courses at Rose-Hulman.

Insights

Completing these items will not necessarily be easy. However, breaking each goal down into small steps is a great start. It provides something tangible to really focus on.
