	I need an IER #1 that is only 1 year from now		I have most time on job because don't need another degree		Probably need to get an MBA to change my mindset and employers		Obviously need law which is 3 more years
	The heart of it is deciding on which career to pursue		Am I going to become a leader of other engineers		How to pay for MBA		How to pay for law school
					Can I get 1st Level Mgr job out of MBA Pgm		Is 1 year long enough to reach Associate
					Opens up a huge array of jobs to me, e.g. Wall Street		Is 2 years long enough for Jr Is 2 yrs as Jr enough to be Partner
			Would I enjoy being an eng		Would I enjoy business		Would I enjoy being a lawyer
	If this one, what next		Start job search Find a job		Find a MBA Program Find scholarship or fin aid Get a summer internship		Find a Law school Find scholarship or fin aid Get a summer internship
