

Personality Insights

I have taken this a few times over the years and the results consistently show an ENTJ. The E is very pronounced, with the N being moderate and the T & J both slight.

The work tasks and environment are correct - I like fast paced, growing places with new challenges that is competitive and goal driven. I want to work with lots of people in a role where I set the vision, put together the plan, and organize and drive the resources.

What is interesting is that some of the type characteristics are opposite of the talents I have – such as neglecting to recognize and appreciate others contributions and not considering the needs of others.

While some of the most attractive job families aren't ones I would consider doing, my key ones are there: Marketing, Operations, and even finance, economics and lawyer.

For occupations the common theme is being in a leadership role.
