

Structural Tension

Age 22 – Intermediate End Result #1

I have been hired as an entry-level consultant at a consulting firm.

Objectives to get from Current Reality to Intermediate End Result #1

- Leverage my connection with alumni and fellow students to find internships
- Consulting internship in summer between Junior & Senior year
- Graduate with at least a 3.0 GPA

Age 20 – Current Reality

I am a junior in college majoring in Management Consulting.

INSIGHTS

By focusing on these small steps, it will make the process of attaining my first intermediate end result a lot more manageable. I know now that I must work hard to attain these goals, in order to ultimately achieve my dream.
