1. Demographics					
We will keep asking you for your name on each survey because but each survey is a unique file. This way we can track your feedback and at the end of your MyRightCareer Program provide you with a copy of your survey input to use to write your final report.					
* 1. Please enter you name and state. Name: State:					
2. Short Instructions Approach					
Feedback on the "Short Instructions Approach" vs the "Full Instructions Approach".					
The "Short Instructions Approach" is listening to a 5 minute video and using examples to do your work.					
The "Full Instructions Approach" is using the normal instructions, which include the 5 minute video and text with multiple examples integrated into the text.					
You can do a hybrid approach.					
1. Did you use the Short Instructions Approach?					
C Yes					
O No					
2. If you used the Short Instructions Approach, did you use it for all four of the exercises: 1) Create a list of all of your accomplishments, 2) Create a list of 3 to 10 accomplishments you really enjoyed doing and 2 to 3 accomplishments you did not enjoy doing, 3) Document the insights you gained from the exercise, 4) Add to your MyRightCareer Insights,					
C Yes					
O No					
3. If you used the Short Instructions Approach, did you use it for Step 1 - Create a List of Accomplishments?					
C Yes					
O No

5. Please provide additional feedback on the Short Instructions Approach. You can comment on its value for others, even if you didn't use it yourself.
3. Full Instructions & Steps on their own page Approach
The Full Instructions approach has three main elements:
A) It starts with the same 5 minute Welcome Video
B) Each step is on its own page
C) The instructions have the Examples integrated into the text to make it easy for the student. Sometimes the Templates are also integrated into the text.
1. Did you use the Full Instructions Approach for all the Steps?
C Yes
© No
2. Did you refer to Full Instructions Steps multiple times, even if you were using the Short Instructions approach as your major approach?
O Yes
